LEAK PROTECTION PLAN

The Board approved the following Leak Protection Plan. As you know the billing is behind approximately one month. The Leak Protection Plan would be in effect for any loss due to a leak occurring after December 31, 2021. **Plan takes effect on the date payment is received and is good until December 31, 2022.**

1. The annual fee has been set at \$25.00. A form will be mailed to each customer prior to January 1st. Payments will be accepted until **April 30, 2022** for the 2022 plan year.
2. The customer would be required to notify the Association when a leak is discovered and when repairs are completed. This would ensure that the correct time frame is being used to calculate the loss. The customer would pay their average usage, which is held in the computer based on the last twelve months, and the balance of the bill would be paid from the leak insurance fund. We reserve the right to request proof of repair and right to refuse due to negligence and/or lack of action by customer.
3. The leak protection plan fund will pay to LHWA up to \$500.00, per year/per tap, the cost of the water leak over and above your average monthly usage. After the maximum of \$500.00 is reached, the customer is responsible for all costs for the remainder of the year. The fund cannot be used to cover the cost of filling a pool, as this is not a leak.

If you are interested in participating in this program, please complete the form below and return with your payment of \$25.00 to the **Little Hocking Branch** of Citizens Bank. Payments may be mailed to **CITIZENS BANK , PO Box 203 Little Hocking, OH 45742**
