Check in notice:

**Everyone must have valid ID verification of identity and account
name to receive a ballot, one ballot per member.**

All account holders must be in good standing with the Water Association. If an account is suspended, your vote will not count.

All business accounts must present a letter on company letterhead authorizing the holder to cast a ballot for the business. The letter must include the business name and address and/or the account number.

All tenants must provide written permission from property owner (landlord) authorizing the tenant to cast a ballot for the rental unit property.

Any ballot in question will be counted as a provisional ballot and fully investigated for verification prior to being certified and tabulated.

Tabulation of the election results will be completed and winners will be announced after the results have been tabulated. The official results shall be certified and published within 24 hours of the election.
